Bisqued Tiles

Bisqued tiles can be used for a variety of projects. They can be made into indoor tile murals, trivets, small ceramic paintings, or used for any number of other projects. They can be decorated with low fire underglazes and glazes. They will fire successfully up to cone 4, but are not vitrified, and are not for outdoor use.

4.25" x 4.25" Tile
\$.95 Each
\$ 62.00 per case of 100

6" x 6" Tile
\$ 2.10 Each
\$ 70.00 per case of 50
